A motion was made by David Najarian, seconded by Charles Lenhart III to adopt Resolution 2006-9 - A RESOLUTION OF THE BOARD OF SUPERVISORS OF LYNN

TOWNSHIP, LEHIGH COUNTY, LEHIGH COUNTY, PENNSYLVANIA TO WITHDRAW RESOLUTION 2005-11. Motion Carried.

Thomas Creighton III informed the public that they will be holding a special/public joint meeting with the Sewer Authority on Tuesday, April 11th @ 5:30 p.m. This meeting is being held to discuss how to go forward with the Act 537 Sewage Facilities Plan.

The Board discussed the status of Ken's replacement. David Najarian is prepared to make a recommendation today for this position. He feels if the Board takes action at this meeting, they could then take advantage of Ken Bleiler, as to the transition and training of this position. David Najarian also felt if they decided on a replacement tonight, he/she could still get registered to attend the PSATS Convention as well. Thomas Creighton felt he had two people that were qualified for this position. Dave Najarian had some concerns to what that person was asking for, which was \$80,000 yr., which he was not prepared to pay someone that kind of money, his thought was to find someone to be comparable to what Ken Bleiler is currently earning. Charles Lenhart III, is also not prepared to take on a Township Manager, nor pay someone 68 to 80 thousand dollars a year.

David Najarian also was concerned that if they delayed the hiring of this position any longer, that they may lose good candidates and then need to advertise again, which in turn will cost the Township more.

After they discussed this further the Board did not seem to come into an agreement on an applicant. Dave Najarian was ready to act today, but Thomas Creighton III felt they should act on this at the upcoming meeting. He felt hiring a new replacement for Ken was one of the hardest jobs of being a Supervisor, since it's finding someone to basically run the Township. They then decided that they would discuss this further at the end of the meeting in an executive session. At that time hoping they could agree on a candidate, job description and salary requirement.

Discussion was then held on the Letter of Credit received 3/20/06 for Heintzelman Estates. The Board discussed their options they had with Solicitor Edmund Healy. The Road Improvements were to be completed by Aug. 3, 2002. At that time, there was an extension of time granted until September 8, 2005. As of today, the road improvements still are not completed.

Mr. Heintzelman felt he was on track with everything, besides the 30ft. of curbing they are repairing.

Larry Heintzelman informed the Board that last Winter he was delayed due to PennDOT and GPU having a conflict on moving a pole. He informed the Board that all the curbing was done, but had 30 feet to repair due to the cold weather. He was going to complete the final paving, once all the homes were built and plant trees in Spring as the lots were completed along with putting up the street lights.

Edmund Healy, Solicitor suggested that the Board give him one month to complete final improvements.

David Najarian felt they should table this matter until next month. After discussing this further the following motion was made

A motion was made by David Najarian, seconded by Charles Lenhart III to table action on declaring Mr. Heintzelman in default until May 1st, 2006 meeting and to direct Mr. Heintzelman to report back to them as to the status of road improvements, and further direct Mr. Heintzelman to complete outstanding work by May 1st. Motion carried.

Kenneth Bleiler, felt that if Mr. Heintzelman would show progress by May meeting that they could work with him.

Discussion was then held on the regional comprehensive plan. Roy Stewart, Engineer, Ken Bleiler and Solicitor Edmund Healy met many months ago to discuss this plan. Roy had put together a spreadsheet of the changes to be considered by the Planning Commission.

David Najarian felt that they needed to get cracking on this matter. After discussing this further a motion was made.

David Najarian, seconded by Charles Lenhart III made a motion to direct Roy Stewart, Engineer to proceed with the required tasks to be done for the Regional Comprehensive Plan and review his recommendations, before the Planning Commission. Motion carried.

Solicitor Healy suggested to the Board that Mr. Stewart, Engineer have a deadline date as to when to have this completed.

A motion was made by Charles Lenhart III, seconded by David Najarian to accept the application received from Kenneth and Anna Wiesner @ 7709 Brobst Hill Rd., New Tripoli into the Agricultural Security Area of Lynn Township, and to record this by a resolution in 180 days, which would be at the October 2006 regular meeting. Motion carried.

The Board then discussed the details of Beautifying Lynn Day(s). After discussing this in detail, the Board agreed to hold this event on Fri., May 5th and Sat., May 6th. The residents will be allowed to take the trash they pick up on these dates as part of the Great PA Cleanup to the Township Transfer Station on the above dates between the hours of 9am and 4pm at no charge. If they would not be able to drop their garbage off, they could contact the Township to have us pick-up the trash at no charge. The board directed Tina to arrange to advertise the details on this event in the upcoming Spring/Summer newsletter.

A motion was made by David Najarian, seconded by Charles Lenhart to adopt Ordinance 2006-2-AN ORDINANCE OF LYNN TOWNSHIP, LEHIGH COUNTY, PA ORDAINING AND AUTHORIZING THE PLACEMENT OF STOP SIGNS WITHIN THE RIGHTS OF WAY OF VARIOUS TOWNSHIP ROADS. Motion carried.

Discussion was then held on extending meeting pay to all hourly employees that must report to these nightly meetings to give reports, such as the Road Master, Bruce Raber or Treasurer, Robert Sadler.

A motion was made by David Najarian, seconded by Charles Lenhart III to extend the meeting pay in the amount of \$25.00 per meeting to all hourly employees, whom need to report to a meeting on certain agenda items, but to be placed at the top of the agenda, and not to be required to stay for the entire meeting. Motion carried.

Misc.:

Charles Lenhart III informed the Board that he would be meeting with Mark Hood from the Local Roads Program (LTAP) to discuss reducing the speed on Springhouse Rd. He also will discuss the possibility of reduced speed limit signs on Slateville Rd. from Rte. 143 to Dresher Rd. and Steinsville Rd.

Kenneth Bleiler wanted to remind the Board that Tina Everett's birthday was on Sunday.

After this discussion on the need for speed limit signs, the Board directed Edmund Healy, Solicitor to draft an ordinance on speed limit signs on Flint Hill Rd., from Schochary Rd. to Camp Meeting Rd. to 35 MPH. Also on Bausch Road from Schochary Rd. into Weisenberg Township at 30 MPH.

Public Comment:

Allen R. Cerullo- Came to the meeting to inform the public that he was running for PA State Representative 187th District, and was there to answer any questions the public may have.

Larry Heintzelman- Discussed his concerns with Jonathan Weiss on Allemaengel and Gun Club Rd. He's having photo shoots and blocking up the roads, which in turn is an unsafe situation for others.

Sabrina Pendleton-Who is Larry Heintzelmans' fiancée, has been taking pictures of this problem for sometime and would like to see something done about it. They had suggested that installing some "No Parking" signs on one side of road would help the problem. By installing the signs then the State Police could enforce the problem.

Solicitor, Edmund Healy questioned Mr. Heintzelman, if he would step up to the plate to help prove this with evidence. Mr. Heintzelman's agreed that he would absolutely step up to the plate if proof was needed.

The Board convened to an executive session at 9:25 p.m. along with Solicitor Edmund Healy and Kenneth Bleiler, Zoning Officer/Administrator. The Board reconvened at 10:26 p.m.

A motion was made by David Najarian, seconded by Charles Lenhart III to appoint Kevin Deppe as Administrator/Zoning Enforcement Officer/Office Manager @ a salary of \$46,500 per year, \$250.00 per month for mileage & \$50.00 per advertised nightly meetings. This is subject to the terms and conditions of the Lynn Township employment policy manual. Motion carried.

Discussion on dates Kevin Deppe would need off were as follows; he would be leaving on Sat., April 8th on vacation and could report to work on Wed., April 12th when he returns. He also informed the Board that as of May 31st he would need about 9 days to completely shut down his existing home inspection business. After discussing this further, the Board decided to make his official anniversary/start date to be June 12th, 2006.

A motion was made by David Najarian, seconded by Charles Lenhart III to hire Kevin Deppe as a full-time Zoning Officer/Administrator/Office Manager on June 12th, 2006, to the extent that he and the existing Zoning Officer/Administrator/Office Manager can spend time together between now and then. Mr. Deppe will be paid a daily fee in equivalent to what he would be earning when he starts his full-time employment, but without health insurance and the mileage fee. Motion carried.

A motion was made by David Najarian, seconded by Thomas Creighton III to authorize Mr. Deppe to attend the PSATS Convention at the expense of the Township. Motion carried.

A motion was made by David Najarian, seconded by Thomas Creighton III to adjourn the meeting. Motion carried. Meeting adjourned 10:40 p.m.
