Managers Report: Kevin Deppe, Township Manager, reported <u>UPDATES</u>: (1) The Leaser Lake Dam Project: Because of the amount of equipment and the weight of materials used in the project the BOS discussed the possibility of enacting weight restriction by ordinance for the roads in question which will be; Leaser, Follweiler, and Hamm Ct. The BOS agreed that Roadmaster Bruce Raber along with Kermit DeLong and Kevin Deppe should drive the roads in question and decide if the township engineer, Ed Koehler needs to get involved in possibly enacting weight limits on the roads or if the roads would be able to withstand the construction and what type of repairs may be needed to be done upon completion of the project. Bruce Raber added that the roads in question are only oil and chip roads. The BOS added that because the roads are only oil and chip, the township may not be able to uphold weight limit restrictions.

Miscellaneous: (1) Sewer Authority: Dave Najarian asked Kevin Deppe if the Sewer Authority applied for a permit for their generator. Kevin Deppe stated no permits were pulled. Dave Najarian added that the SA should have applied for the permit and the township would have waived the fees which are the same procedure that the township follows. (2) Proposed Detour Route: The BOS authorized Chairman, Dave Najarian to sign a letter stating that the Lynn Township BOS find the Conceptual Traffic Control Plan, for the bridge replacement at Donats Peak Road over Ontelaunee Creek, adequate. The letter will be sent to Michael Baker on behalf of the PennDOT Engineering District 5-0. (3) Kermit DeLong stated that the soccer field in the park should be looked at due to the fact that we have had no rain and to also check to see how much more use the field will have for the remainder of the season. Kermit DeLong also stated that part time workers, Ryan King and Robert Acker have been doing a good job with maintaining the park. Discussion was also held on budgeting for a new lawn mower for the park. (4) Kermit DeLong thanked contactor Dwayne Henritzy for the great job on his construction of the meeting room platform.
