REIMBURSEMENT AND ESCROW AGREEMENT
Lynn Township

In consideration of the Township of Lynn processing the attached application, the undersigned, expressly consent and agree to pay the escrow fees customarily charged by the Township fee schedule as amended, and also as a condition for permit approval, to reimburse the Township for engineering services, and legal fees incurred in the processing of the non-subdivision/land development plans as well as any other incidental expenses reasonably incurred by the Township respecting this plan review. The Township may, at any time during the course of the plan's review require the undersigned to reimburse the Township for cost incurred at given times, or at the Township's option, require the undersigned to place a sufficient sum in escrow (said sum to be determined solely by the Township) to cover the costs and fees, as hereinabove provided, which the Township estimates it will reasonably incur during the processing the review of this non-subdivision/land development application and plan. It is expressly understood and agreed that the payment of said fees, expenses, and charges shall be payable even though the plan is withdrawn or disapproved. Any amounts which have been placed in escrow in excess of the amounts hereinabove referred to, shall be returned to the individual or entity from which the funds were received, following plan approval or disapproval or withdrawal of the application for approval.

IN WITNESS WHEREOF, the undersigned, intending to be legally bound, hereby set our hands and seals this _____ day of _____, 20____.
